LB 95A, 209, 209A

LB 95A. Have you all voted who wish to? Record please, Mr. Clerk.

CLERK: 35 ayes, 0 nays, Mr. President, on the advancement of LB 95A to E & R Initial.

SENATOR CUDABACK: The motion to advance was successful. Mr. Clerk, next agenda item.

CLERK: Mr. President, LB 209A by Senator Bromm. (Read title.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Senator Bromm, to open on advancement of LB 209A.

SPEAKER BROMM: Thank you, Mr. President. As you know, LB 209 is the ALR bill, which revamps that process somewhat, and there's a need to allow for a cash fund to be established for DMV to transfer some funds to the AG Office to be able to handle the LB 209 work, and so that's all...that's what this is. And if there are any questions, I'll be glad to try to answer them. We are still working on an amendment that we'll be visiting with some of you about, and Senator Chambers had a concern but that doesn't have anything to do with the A bill so I don't think the A bill would be affected by that amendment. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Bromm. Heard the opening on advancement of LB 209A. Open for discussion on that motion. There are no lights on. Senator Bromm, did you wish to close? He waives the opportunity to close. The question before the body is advancement of LB 209A to E & R Initial. All in favor of the motion vote aye, opposed nay.
